# About the Place

The city of Lakes, Udaipur is a lovely land around the azure water lakes, hemmed in by the lush hills of the Aravalis. A vision in white drenched in romance and beauty, Udaipur is a fascinating blend of sights, sounds and experiences - an inspiration for the imagination of the poets, painters and writers. Its kaleidoscope of fairy-tale palaces, lakes, temples, gardens and narrow lanes strewn with stalls, carry the flavour of heroic past, epitomising valour and chivalry.

Serving as a source of comfort from the sultry dessert climate of Rajasthan, Mount Abu, the state's only hill station stands at a height of 1722 metres above sea level, and is embraced by lush green hills of the Aravalli range. Studded with a colourful mix of rustic abodes of tribal communities and posh houses inclusive of British style bungalows and royal holiday lodges, Mount Abu appears to be no less than a wonder in this dessert state. Covered in vast stretches of green forests, serene lakes, and effusive waterfalls, this region allows you to revel amidst panoramic vistas, all year round.
